

Shri Aillak Pannalal Digamber Jain Pathashala's

WALCHAND INSTITUTE OF TECHNOLOGY

(An Autonomous Institute)

- Accredited by NAAC A+ Grade and NBA, New Delhi for Civil, Mechanical, Electronics and Electronics & Telecommunication Engg.
- Winner of AICTE-CII Survey 2013, 2014 & 2018 Award for Best Industry-Linked Institute.
- Recognized by AICTE, New Delhi
- Permanently affiliated to Punyashlok Ahilyadevi Holkar Solapur University, Solapur
- Solapur Jurisdiction only.

Seth Walchand Hirachand Marg, Ashok Chowk, Post Box No.634, SOLAPUR – 413006.

IQAC-16
21/08/2021

ITEM NO. 1

Minutes of the last Meeting held on 12/06/2021

Minutes of the meeting held on 12-06-2021 were read and confirmed.

ITEM NO. 2

Teaching-Learning Process

All curricular, co-curricular & extracurricular activities are to be continued in online mode using Google Meet Platform for the A.Y. 2021-22 till reinstitution of pre-pandemic situation. Continue to strive for continuous improvement in T-L process and inculcation of lifelong learning following shall be done-

2.1 Innovation in Teaching-Learning

- The use of various instructional strategies & ICT tools shall be continued. Modifications/alterations as deemed fit wherever necessary shall be done. Faculty members shall create 5 new videos of average duration of 12 minutes towards course contents, for the courses taught by faculty members at E-learning centre. All faculty members shall continue creation of Learner Centric MOOC (LCM) using newly created and earlier videos, covering at least @25% course contents.
- Use of Virtual Labs (VLabs) to carry out laboratory experiments in online mode.

2.2 Self learning to inculcate Lifelong Learning and credit transfer.

It is proposed that SE, TE & BE students shall be encouraged to complete various courses on Swayam/MOOC platform as self learning initiative. Accordingly identify the various platforms and offered courses and define the co-ordinated structure for implementation. Also the First year students shall be provided with basic training to undertake such courses on MOOC platform.

2.3 Problem based/Project based learning (PBL)

To provide an exposure to various real time/societal problems, it is planned to undertake following to make students better professional

- Enhance students' learning through PBL
- Encourage the use of various platforms such as HackerRank, HackerEarth, CodeChef for improving problem solving skills through programming.
- Encourage students to participate in various Hackathons.

The targets for above shall set at the department level.

2.4 Employability Enhancement & Skill development

During pandemic, online interaction of our alumni, well spread across the globe, with the students was very successful for increasing the employability of our students. Availability of alumni and students for online interaction is not a constraint. Therefore, sincere efforts to connect alumni to our students virtually to enhance their employability and opportunity shall be continued.

- **Training**

- It is proposed that one hour training everyday for employability enhancement of students shall be continued for all SE, TE, BE students. Such employability enhancement training shall be on various programming languages and various skills by in house faculty & industry experts to improve quality placements.
- Training on Emerging Technologies in sync with Industry 4.0 is to be continued by identifying relevant courses.
- Task of designing and/ identifying skill based courses for students shall be carried out at the department level in view of continuous varying requirement of the employer.

- **Student Internship**

Focus to enhance students' internship with stipend. Also, it is proposed that efforts shall be undertaken to have online internships concurrently with ongoing semester.

- **Skill Based Courses**

Following two skill based courses were conducted

- Innovative IOT Solutions Using Arduino and Raspberry Pi
- Innovations in Construction Planning through software applications- MS Project (MSP)

It is proposed to conduct more skill based courses.

- **Placement**

Good number of opportunities is available in IT industries. Therefore on account of availability and good package, quality placements in core engineering have become a necessity. In view of these constraints, special efforts are to be undertaken to make an opportunity available in core engineering too.

Overall, need to have focus to add more MNCs through various interactions with industry and improve number of placements, Maximum package and Average package.

2.5 Assessment of students Learning Outcome (COs,POs & PSOs) & Corrective measures, if any

Assessment of students learning is a continuous process. Accordingly, the department need to set a calendar for assessment. The assessment shall be on the various cognitive level of Bloom's Taxonomy. After assessment, if the attainment is not found satisfactory then corrective measures shall be taken. This shall also be the basis for the improvement in T-L process and the input for course revision.

Till the normalisation of pre-pandemic situation, evaluation & assessment shall be done in online mode having both objective & subjective natures in appropriate proportion.

From A.Y. 21-22, an autonomous status has been conferred on the institution, which is progressive in nature. Therefore for the entry batch of 21-22 will be the first batch as an autonomous institute. The OBE shall be observed at various stages of assessment & evaluation. The focus shall be on assessment of learning outcomes and corrective measures, if necessary, for both formative & summative assessment.

ITEM NO.3

Faculty and staff Development

It is proposed that, department shall prepare a comprehensive plan for

- **Qualification upgradation and enhancement of Faculty Competency**
- Continue to facilitate to encourage faculty to acquire doctoral qualification.
- Continuous up gradation of faculty competency by attending FDP/ STTP/ Training/ Workshop/ Seminar/ conferences to keep the pace with the industrial revolution shall be done.

3.1 Research & Development activities

Faculty members shall carry out R&D activities through funded & collaborated research by applying to various govt. / non govt. funding schemes, sponsored projects and consultancy.

All faculties shall publish their research in quality journals & conferences (SCI, Web of Science, UGC Care etc.). Faculties shall prepare their plan in this regard.

3.3 Skill up gradation of Staff

It is proposed to continue the skill up gradation of staff.

ITEM NO. 4

Innovation

MOE MIC has issued certain guidelines for organising various activities related to I&E to be carried out throughout the year. In accordance with these guidelines, WIT IIC is planning various activities on the themes of Inspiration, Motivation And Ideation, Validation And Concept Development, Business Model Development And Start-Up Development. These activities will be executed throughout the year.

The plan for the various types of activities to be organized is as follows.

- **Motivational Talks**

To make students aware of the innovation environment and inspire, motivational talks/orientation sessions by successful innovators and entrepreneurs are planned

- National Innovation & Startup Policy
- Entrepreneurship & IPR
- Innovation & Creativity
- Business Idea to Startup
- Idea, Proof of Concept & Prototype

- **Workshops**

To provide experience on concept development following workshops are planned

- IPR & Technology Transfer
- Design Thinking Critical Thinking & Innovation Design Competitions
- Ideation Workshop

- **Competitions**

To assess the learning and absorption through various activities mentioned above the various competitions planned are as follows

- Idea Presentation
- Product Assembly Drawing
- Quizes
- Hackathon
- Project Exhibition

To exhibit the Innovation, Research and Development activities project exhibitions shall be arranged by all departments.
By participating in above competitions students will be able to assess themselves in comparison with their counterpart within & outside the institution.

The activities will commence from September i.e. the commence of the Academic year 2021-22.

ITEM NO. 5 Extension Activities

It is proposed to carry out various extension activities such as

1. Observing appropriate behaviour in COVID-19 pandemic
2. Various MHRD/State Govt. initiatives
3. Various Green & Smart initiatives
4. Programmes on promotion of Gender equity

ITEM NO. 6 Facilities Enhancement

It is proposed to

- Enhance facilities for making facility industry 4.0 competent.
- Procurement & training on Software for Autonomy shall be done.
- Necessary Systems & Setup for effective implementation of autonomy
- Computational facilities
- R&D facility

ITEM NO. 7**Collaborations**

As on date, we are collaborating with various industries/organisation through 23 active MOU.

The extent of collaboration shall be further enhanced with various fields like agriculture, health and other academic institutions through efforts. Competitions and collaborated projects shall be stressed upon.

ITEM NO. 8**Quality Assurance Initiatives****7.1 Academic Audit**

Overall observation of previous year academic audit is that

- R&D activities need to be strengthened
- More focus is required to increase collaborated projects.
- More focus shall be on publications in SCI/Scopus indexed journals.
- Students shall be encouraged to go for higher studies.

1. Regular meeting of Internal Quality Assurance Cell (IQAC); Feedback collected, analyzed and used for improvements
2. Collaborative quality initiatives with other institution(s)

As a set practise Academic Audit of all programmes shall be carried out. The findings of AAA shall be placed before DAB for discussion & necessary corrective action.

7.2 Participation of the institute in various evaluation surveys & competitions

It is proposed that, Institute shall participate in various Govt./non Govt. surveys like NIRF, AICTE-CII survey for 'Best Industry Linked Institute' and such other surveys for quality assurance and as a brand building exercise. Also participation in various competitions initiated by AICTE & ISTE.

7.3 Feedback from all stakeholders

It is proposed that comprehensive feedback from all stakeholders shall be collected and analyzed. The findings of this feedback shall be used for overall improvement in curriculum design, T-L process, facilities and design & delivery of content beyond the syllabus.

7.4 Accreditation

NAAC:

It is proposed to start preparation of AQAR for the AY 2020-21 shall be undertaken.

NBA :

The visit for the extension of accreditation of four UG programs Civil Engineering, Mechanical Engg., Electronics Engg. , Electronics Engg. And visit for accreditation of Computer Sci. & Engg. And Information Technology is still awaited.

● Autonomy

The various committees were formed required for functioning of autonomy.

ITEM NO. 9

Strategic Management-Review of key activities

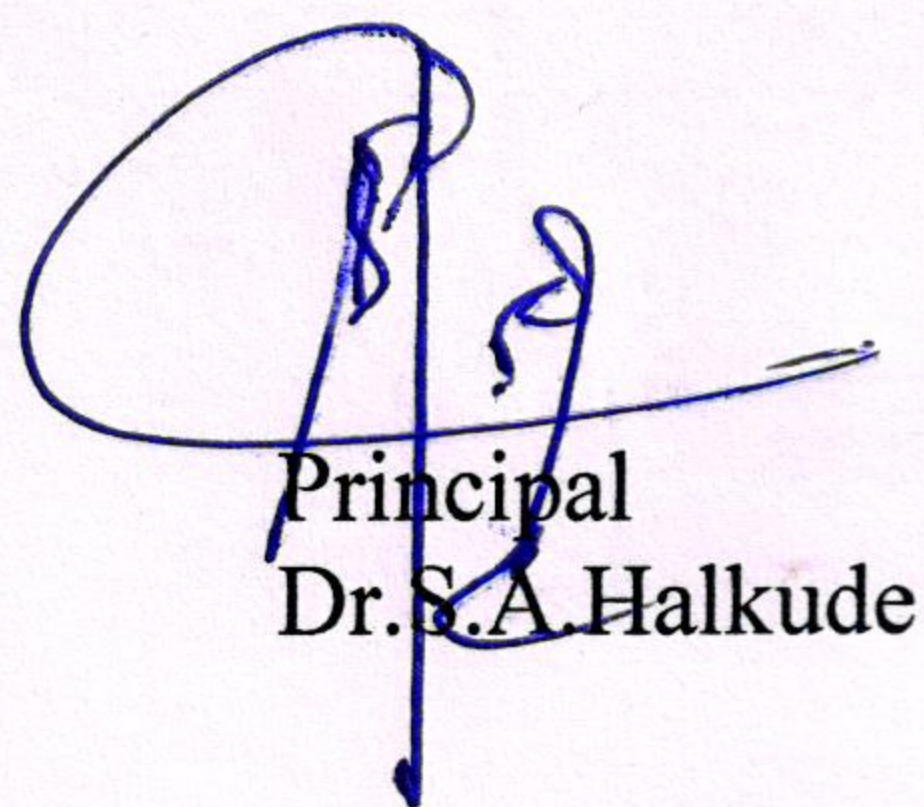

The various activities done during A.Y. 2020-21 are reviewed. On the basis of the review of various key strategic activities, it is proposed that following areas needs attention for improvement.

- a. Up gradation in qualification & ensuring faculty competency through FDP/Workshop.
- b. R&D activity needs significant improvement. Faculty members to prepare & submit a proposal for grant to various agencies. Focus on quality research publication.
- c. Continue training to students for employability enhancement, higher education and Entrepreneurship
- d. Continue to practice disruptive Innovations in Teaching-Learning and effective delivery even in online mode
- e. Organization of Various co-curricular & extracurricular activities
- f. Focus on emerging areas/Technologies for marching towards Industry 4.0.

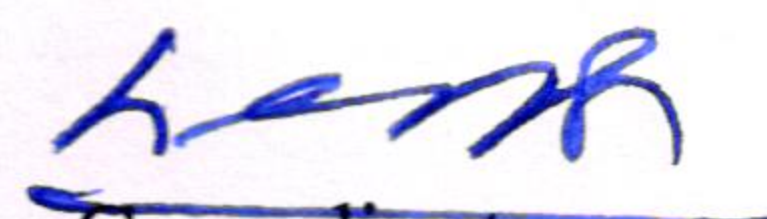

- g. Review of activities of centre/s of Excellence.
- h. Initiatives towards Innovations, Product Development, IPR and establishing Pre-incubation centre and Incubation Centre.
- i. Initiatives towards Green and smart Campus
- j. Quality assurance through accreditations, institute evaluation surveys
- k. Infrastructure Enhancement
- l. Offerings of Skill based courses
- m. Various collaborations

ITEM NO. 10**Any other subject with permission of the Chair.**

After considering the items and agenda, no other subject was discussed and the meeting concluded with vote of thanks to the Chair & member for their support & contribution.

Principal
Dr. S.A. Halkude

Co-ordinator
Dr. S.R. Gengaje
