IQAC-17
20/11/2021

ITEM NO. 1

Minutes of the last Meeting held on 07/08/2021

Minutes of the meeting held on 21-08-2021 were read and confirmed.

ITEM NO. 2

Teaching-Learning Process

2.1 Innovation in Teaching Learning

In accordance with the strategies planned in previous IQAC meeting, as on date during semester-I

- 12 instructional strategies and 10 ICT tools are employed.
- 426 videos are created by faculty members and uploaded on institute YouTube channel as well as a study material deployed on institute Moodle for respective classes as a part of teaching-learning process. Creation of Course e-contents in the form of video are still continuing.

The scheduled ET activities of the semester-I shall be completed up to 31st December, 2021.

2.2 Self learning to inculcate Lifelong Learning and credit transfer.

It is opined that, to inculcate lifelong learning strengthening self learning ability is essential. Therefore Students are encouraged to register for MOOC on platforms such as NPTEL, Springboard.

During this semester, total 124 registrations for 71 various NPTEL courses are done for NPTEL courses. Additionally total 2590 student registrations for 89 courses on Infosys Springboard platform are complete and they are pursuing the courses. For better outcome the learning on MOOC platform shall be strengthened through coordinated student development model.

2.3 Problem based/Project based learning (PBL)

To strengthen PBL, institute is making necessary efforts through alumni to make projects available which are of societal relevance and industry collaborated. Accordingly,

- Students are encouraged to participate in various Hackathon to provide experiential learning. It is expected that @ 20 teams will participate in various Hackathon in different domains.
- It is proposed to organise National level Synfig Studio 2D Animation Hackathon Contest - CG animation-synfig software base pre-hackathon contest- Animation presentation online in Google meet by IIT Bombay & FOSSEE
- As on date, during this academic year 23 industry collaborated projects are undertaken in various domains.

It is proposed that more efforts shall be taken to get more real time industry projects so that students will have more exposure to new technology.

2.4 Employability Enhancement & Skill Development

- **Training**

For employability enhancement

- In-house Training of students shall be further strengthened by inviting industry experts for employability enhancement and to become industry ready.
- In view of national recruitment process of various leading MNCs, special trainings on programming languages especially Python, Soft Skills, Interview Skills, Infosys-InfyTQ, TCS-NQT pattern are arranged.
- The national level technical competition.
- Encouraging students to participate in various technical festivals/symposiums nationwide.

- **Student Internship**

Students are encouraged to take online internships concurrently with ongoing academics. Many students are undergoing online internships. Some of them are with stipend.

- **Placement**

Till date 526 offers are received in 9 companies namely Infosys, Persistent Systems, Tata Consultancy Services, Virtusa, Wipro, Zensar, Galaxe Solutions, Celebal Technologies

and Accolite Digital. Other companies namely BYJU's, Synoriq, Hitachi have scheduled to visit for campus placement. The placement process is still ongoing and during the A.Y. 2021-22 @30 more companies are expected to visit for placement.

Efforts shall be taken to improve the Placement.

2.5 Assessment of students Learning Outcome (COs,POs & PSOs) & Corrective measures, if any

OBE is thoroughly implemented. However, since higher classes are in affiliation system, the institute has no control over ESE which is implemented by the affiliating university. Therefore, to thoroughly implement OBE, Continuous Internal Examination (ISE & ICA) are based on Bloom's taxonomy and aligned to Course Outcomes.

Results for all classes are declared and CO attainment is complete. Faculty members shall plan corrective measure, if any according to attainments.

As autonomy is implemented for the entry batch of 21-22, the OBE shall be implemented at all the levels (i.e. CIE)

ITEM NO.3

Faculty and staff Development

As a part of strategic objective of the institute, department shall continuously update & execute comprehensive plan for the following key activities:

3.1 Faculty Qualification & Competency up gradation

As a policy every faculty member shall complete at least one FDP/STTP/MOOC towards upgrading their competency, accordingly departments have prepared comprehensive faculty competency development plan and systematic approach to attain it throughout the year.

In this context, during this semester as on date

- Total 341 certifications are successfully completed by faculty members through 112 FDP/Workshop/STTP etc.
- Faculty member have registered for @41 courses on various MOOC platforms in emerging area.
- A Webinar series on 'Bridge Engineering' was organised for faculty members.

AICTE-ISTE proposal for conducting Refresher program entitled 'Low Power VLSI System Design' by Dr. S.R.Gengaje has been sanctioned and will be scheduled soon.

It is decided to encourage & facilitate faculty members to

- Register for Ph.D. and complete their research work.
- Undertake more course certifications.

3.2 Research & Development activities

The R&D activities are carried out by faculty

- By applying for funded & collaborated research to various govt. / non govt. funding schemes/industry
- By publishing their research in Quality journals & conferences (SCI, Web of Science, UGC Care etc.).

During this year till date

- 05 Break through research proposals are submitted to PAH Solapur University, Solapur
- 20 research papers are published in various National, International Journals & Conferences by faculty members.
- Total revenue of Rs. 21,18,014/- was generated through testing and consultancy in F.Y. 2021-22 till date.

It is decided that faculty shall have more quality research publications and shall generate funds through research grants and consultancy work.

ITEM NO. 4

Innovation

Under the AICTE Scheme of Impact Lecture Series, financial assistance of Rs. 12,000/- is provided to the institutions that are part of the network of Institutions' Innovation council of MoE's Innovation Cell for organizing impact lecture sessions by inviting external experts on innovation, IPR and start up. These sessions intend to generate awareness and skill on I&E & IPR among students and faculties.

Following expert sessions were organised under this scheme

- Entrepreneurship & IPR
- Innovation & Creativity, Innovation Pace: Startup to Enterprise
- Expert talk on How to Convert Business Idea to Startup

Various self driven activities based on the theme of Validation of Concept are planned as follows:

- **Expert Sessions**
 - Expert talk on “Basics of a business intelligence- An innovative way of business”
 - Session on "Idea, Proof of Concept & Prototype"
 - Session on Problem Solving and
 - Orientation session on National Innovation & Startup Policy
- **Competitions**
 - Ideathon –competition
 - Advertise preparing competition
- **Workshops**
 - “IPR & Technology Transfer”
 - Ideation Workshop
 - Design Thinking Critical Thinking & Innovation Design

ITEM NO. 5

Extension Activities

Institute has organized as well participated in various extension activities, some of them to mention are as follows

- Organised Webinar on ‘Financial Literacy’.
- A Online Webinar on ‘Financial Literacy’ was organised on 20th August 2021. @ 150 faculty and staff have attended the webinar. They have gained a knowledge about how to make financial plans and grow the savings.
- Institute has organised ‘Mazi Vasundhara Abhiyan-2021’ in collaboration with Tourism, Protocol and Environment and Climate Change Dept. Govt. of Maharashtra in August 2021. All the students, faculty members and staff took oath about “My Earth Environment and Climate Change”.
- On 2nd October on occasion of ‘Gandhi jayanti’ All the students, faculty members and staff took swachhata oath. few staff members participated in cleaning the college campus
- On 30th October, 2021 a Covid-19 Vaccination Drive was organised in collaboration with Jijamata Urban Primary Health Centre, Solapur. 60 students took vaccination of Covishield and covaxin.

It is proposed to organise following programmes in the month of Nov/Dec, 2021

- In “Covid-19” pandemic to increase immunity power, it is planned to organise a workshop on Yoga.
- As the Election Commissioner office Solapur and P.A.H. Solapur University, Solapur are planning to organise a Camp for Voter Registration, institute is planning to take active participation in this camp.

ITEM NO. 6

Facilities Enhancement

Being an autonomous institute, we will be conducting examinations in place of university examination. Therefore new ERP software for admissions & examinations is procured. Overall institute is planning & gearing up for total implementation of autonomy for admissions, examination and academic monitoring. The stakeholders will be able to connect with this technological platform for instantaneous & easy dissemination & assimilation of the data/information/outcome. This will be achieved by providing login credentials to all stakeholders.

Other facilities to be procured shall be in accordance with need of modernisation of laboratories and for various R & D activities.

Review of internet bandwidth is in process.

ITEM NO. 7

Collaborations

Institute has entered into two new MOUs with RB Tech Services, Ahmednagar and Bajaj Reinforcements LLP, Nagpur. Exchange of technical know-how, conduction of joint research, collaborated/sponsored projects and trainings will be the some activities as a part of MOU.

As on date institute has 25 active MOUS with various organisations.

- Infosys offered various technical & other courses through springboard platform to our students to bring digital life skills. Students have registered for the courses to enhance employability skills.

- At present some of the Industry collaborated Activities are with respect to the following:
 - Faculty Training
 - Expert talks
 - Internship and collaborated projects to students
 - Placements
 - R&D
 - Product development

Efforts for more collaboration in diversified/interdisciplinary fields catering societal needs shall be taken.

ITEM NO. 8

Quality Assurance Initiatives

8.1 Academic Audit

As a practice, frequency of academic audit is annual for internal audit and bi-annual for external audit. Therefore Internal Academic Audit of all programmes shall be carried out for the completed academic year i.e. 2020-21. The findings of AAA shall be placed before DAB for discussion & necessary corrective action.

8.2 Feedback from all stakeholders

The first feedback process of this semester on teaching learning is complete. Feedback taken is in accordance with modifications done due to total online T-L process. The findings of this feedback shall be used for overall improvement in curriculum design, T-L process, facilities and design & delivery of content beyond the syllabus. Since institute is now functioning as an autonomous institute, for curriculum design the feedback and inputs from various stakeholders need to be invited. Therefore the feedback form on curriculum is designed.

A comprehensive feedback from all stakeholders shall be collected and analyzed.

Student satisfaction survey for the year 2020-21 is complete and overall students are satisfied with academics, facilities provided by the institute.

8.3 Quality initiatives

8.3.1 Participation in various in evaluation surveys

Institute participates in various Govt./non Govt. surveys like NIRF, AICTE-CII survey for 'Best Industry Linked Institute' and such other surveys for quality assurance and as a brand building exercise.

In the year 2021-22 Institute has submitted data on portal for

- AICTE-CII Survey for 'Best Industry Linked Institute'
- NIRF Ranking

It is proposed that this year also institute shall participate in AICTE's 'Atal Ranking of Institutes on Innovation Achievements' (ARIIA).

8.3.2 Accreditation

- NAAC:

Institute has started the preparation of AQAR for the AY 2020-21.

- NBA :

On the basis of compliance report submitted, The NBA has granted Accreditation of 1 year i.e. up to 30-06-2022 for four UG programmes accredited in 2018 without visiting the institution due to pandemic situation.

NBA expert committee visit for two UG programmes namely Computer Sci. & Engineering & Information Technology took place in blended mode on 29,30 & 31st October, 2021. Results are awaited.

8.3.3 Autonomy

The Curriculum is designed for 2021-22 by respective BOS and is approved by academic council.

For effective implementation of autonomy, various systems set have started functioning. A review of all these shall be taken in near future for betterment.

8.3.4 Award

Institute is recipient of 'Best Engineering College 2020' award by ISTE Maharashtra-Goa Section.

ITEM NO. 9**Strategic Management-Review of key activities**

The various activities done during this year till date are reviewed. On the basis of the review of various key strategic activities, it is proposed that following areas needs attention for improvement.

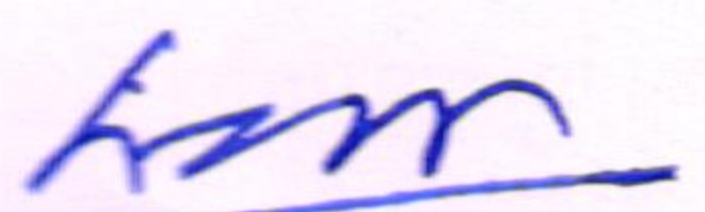

Sr. No.	Key Activity	Remark
1	Up gradation to Ph.D. qualification	As on date, 35 faculties are possessing doctoral qualification and 33 faculties are pursuing doctoral studies. More Faculty Members shall be encouraged to register for Ph.D. qualification.
2	Faculty Competency through FDP/Workshop	Faculty members are participating in various FDP/STTP/Workshop/MOOC. They shall continue the same & improve their competency. • Total 341 certifications are successfully completed by faculty members through 112 FDP/Workshop/STTP etc. • Faculty member have registered for @41 courses on various MOOC platforms in emerging area.
3	Faculty members to prepare & submit a proposal for research grant	05 Break through research proposals are submitted to PAH Solapur University, Solapur. In near future
4	Quality Research Publication	Till date in this A.Y., 20 research papers are published in various National, International Journals & Conferences by faculty members. Faculty members are publishing research papers. Focus to have more quality research publications.
5	Employability Enhancement Training	Student's training and guidance sessions were organised for employability enhancement. Focus on additional efforts to bring new companies to campus for various types of interactions, student's internship with stipend.

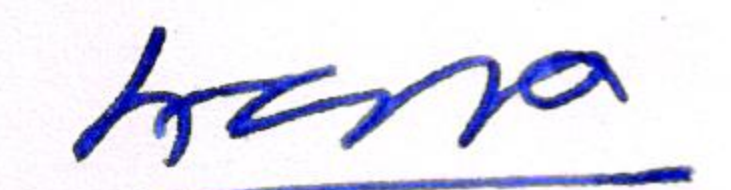

6	Creation of e-course content for blended T-L process	No. of videos, Views & subscribers are increasing. Now more focus shall be on quality content. 426 videos are created by faculty members till date during this academic year.
7	Focus on emerging areas/Technologies for marching towards Industry 4.0.	Focus to have facilities compliant to Industry 4.0.
8	Initiatives towards Innovations, Product Development, IPR and establishing Pre-incubation centre and Incubation Centre	Under the AICTE Scheme of Impact Lecture Series, financial assistance of Rs. 12,000/- is provided to the institutions that are part of the network of Institutions' Innovation council of MoE's Innovation Cell for organizing impact lecture sessions by inviting external experts on innovation, IPR and start up. These sessions intend to generate awareness and skill on I&E & IPR among students and faculties.
9	Organization of various co-curricular & extracurricular activities	Various co-curricular & Extension activities were organised for students for overall development of students
10	Collaborations	As on date institute has 25 active MOUS with various organisations. Through industry collaborations Faculty Training , Expert talks, Internship and collaborated projects shall be carried out.
11	Offerings of Add on /Skill based courses	It is proposed to offer skill based courses.

ITEM NO. 10

Any other subject with permission of the Chair.

After considering the items and agenda, no other subject was discussed and the meeting concluded with vote of thanks to the Chair.
