IQAC-18
19-02-2022

ITEM NO. 1

Minutes of the last Meeting held on 20/11/2021

Minutes of the meeting held on 20-11-2021 were read and confirmed.

ITEM NO. 2

Teaching-Learning Process

2.1 Innovation in Teaching Learning

In accordance with the strategies planned in previous IQAC meeting, as on date during semester-II following things are implemented

- 12 instructional strategies and 10 ICT tools are employed.
- Till date 520 videos are created by faculty members and uploaded on institute YouTube channel as well as a study material deployed on institute Moodle for respective classes as a part of teaching-learning process. Creation of Course e-contents in the form of video are still continuing.

2.2 Self learning to inculcate Lifelong Learning and credit transfer.

During semester-II as on date

- Total 441 registrations for 107 various NPTEL courses are done for NPTEL courses.
- Total 1457 student learners are learning 106 courses and 263 course certifications are completed on Infosys Springboard Platform.

For better outcome the learning on MOOC platform shall be strengthened through coordinated student development model.

2.3 Problem based/Project based learning (PBL)

To strengthen PBL, institute is making necessary efforts to make projects available which are of societal relevance and industry collaborated. Accordingly,

- A National level Synfig Studio 2D Animation Hackathon Contest - CG animation-synfig software base pre-hackathon contest- Animation presentation online in Google meet by IIT Bombay & FOSSEE was organised. 160 students participated in this event.
- A national level Technical symposium namely Acceleration-21 containing various competitions for Mechanical Engineering students such as
 - Logo Quiz
 - Assembly Drawing Race
 - Workholics
 - CAT-MAT-ability

@ 126 students from various Engineering Colleges and from different regions participated in this competition.

- A national level Technical symposium containing various competitions for Soft branches students were organised such as
 - Ad Mac- Advertisement Making Competition
 - Programming Contest
 - Ideathon(presentation of Idea Implementation from given topics)
 - E-Debate

@ 246 students from various Engineering Colleges and from different regions participated in this competition.

- is proposed to organise Internal Smart India Hackathon to encourage & train students to participate in various Hackathons.
- It is proposed to organise various national level technical events/competitions to encourage the creativity and to compete with outside world.
- During this academic year 30 industry collaborated projects are ongoing.

It is proposed that more efforts shall be taken to get more real time industry projects so that students will have more exposure to new technology.

2.4 Employability Enhancement & Skill Development

- **Training**

For employability enhancement of students

- Schedule of one hour training sessions everyday for all students is continued.

- Special trainings on programming languages especially Python, Soft Skills, Interview Skills, Infosys-InfyTQ, TCS-NQT pattern are continued by in house faculty & industry experts to improve quality placements.
- Various competitions were organized to enhance soft skill, logical thinking, reasoning, programming skills etc. for employability enhancement.

- **Student Internship**

Students are encouraged to take internships during vacation as well as concurrently with academics. During the first semester, students have completed 426 internships out of which @ 21 were with stipend.

- **Offerings of Add on /Skill based courses**

- **Placement**

Till date 633 students are placed in 28 companies. Some major MNCS namely Atlas Copco, L&T Infotech, triveni Turbines are visiting for placement in short period.

2.5 Assessment of students Learning Outcome (COs,POs & PSOs) & Corrective measures, if any

Results for all classes are declared and CO attainment is complete. Faculty members shall plan corrective measure, if any according to attainments.

ITEM NO.3

Faculty and staff Development

As a part of strategic objective of the institute, department shall continuously update & execute comprehensive plan for the following key activities:

3.1 Faculty Qualification & Competency up gradation

As on date 34 no of faculties are pursuing doctoral studies and 35 faculties are possessing doctoral qualification.

During this A.Y. till date

- 489 course certifications are successfully completed by faculty members through 150 FDP/Workshop/STTP etc. Faculty members have completed

- 25 courses are completed on various MOOC platforms.
- One AICTE-ISTE sponsored Faculty Refresher Program entitled 'Low Power VLSI System Design' was organised.

It is decided to encourage & facilitate faculty members to

- Register for Ph.D. and complete their research work.
- Undertake more course certifications.

3.2 Research & Development activities

The R&D activities are carried out by faculty

During this year till date

- 05 Break through research proposals are submitted to PAH Solapur University, Solapur
- 14 Research Proposals are submitted to PAH Solapur University under Seed Money Research.
- 44 research papers are published in various National, International Journals & Conferences by faculty members.
- Total revenue of Rs. 25,66,532/- is generated through testing and consultancy in F.Y. 2021-22 till date.

It is decided that faculty shall continue to have quality research publications, apply for research grants and generate funds through consultancy work.

ITEM NO. 4

Innovation

This year also Institute have registered for AICTE's 'Atal Ranking of Institutes on Innovation Achievements-2022'(ARIIA-2022).

To encourage students for Innovation & entrepreneurship Following activities were organised

1. Workshops on

- IPR & Technology Transfer
- Design Thinking Critical Thinking & Innovation Design

2. Expert sessions on

- Basics of a business intelligence- An innovative way of business”
- IPR
- Idea, Proof of Concept & Prototype
- Social Entrepreneurship
- My Story – Motivational Session by Successful Entrepreneur/Start- up founders/Innovators

3. Competitions on

- Ideathon
- Advertisement Preparation
- Product Assembly Drawing

Students & faculty also attended various events organised by other organisations.

The impact of these sessions will be presented in the report to be prepared for ARIIA.

A workshop to facilitate T-L of ‘Creativity & Design Thinking’ is scheduled for the benefit of all faculties of affiliated institutions before commencement of the course.

ITEM NO. 5

Extension Activities

Institute Participated in AICTE’s ‘Lilavati Award’ for two sub themes ‘Women's Health’ and ‘Sanitation & Hygiene’ and ‘Green Campus Clean Campus’ award.

Following are some of the extension activities organized in addition to the activities mentioned in previous meeting dated 20th Nov. 2021.

- In “Covid-19” pandemic to increase immunity, online “**Sahaj Yoga Meditation Workshop**” was organized in association with H.H. Shri Mataji Nirmala Devi, Sahaj Yoga Trust, New Delhi, from 29th Nov.2021 to 3rd Dec. 2021. Mr. Rajshekhar Katte, IBM India Pvt. Ltd. Pune was the resource person for this workshop

- On the occasion of ‘**National Voters Day**’, a voter awareness camp was organized. 360 students have enrolled in the electoral voters list. A poster making and Slogan competition was organised for students. The Vice Chancellor of PAH Solapur university has honored our institute for active participation.

- Ministry of Ayush, Govt. of India initiated a program to perform 75 crores suryanamaskar on the eve of 'Azadi Ka Amrit Mahotsav'. Institute has organized a virtual program to perform 12 Surya Namaskar daily at home for 21 days from 8th January to 28th January 2022. @ 70,000 suryanamaskar was performed by our institute's students, faculty & staff. This has benefited by promoting a Healthy Lifestyle for all.

Following are some of the proposed activities to be conducted

- Celebrate "Marathi Bhasha Gourav Din" on 27th Feb, 22 in the memory of poet V.V. Shriwadkar.
- Celebrate 'Women's Day' on 8th March
- Organise awareness programme on 'Road Safety Awareness Drive'

ITEM NO. 6

Facilities Enhancement

The computing facilities are enhanced by

- Procuring 91 Computers of core i5
- Internet leased line of 200 mbps from 10G Telecom.

ITEM NO. 7

Collaborations

As on date institute have collaboration through 27 active Memorandum of Understanding (MOU).

Efforts shall be taken to add more collaborations with various industries/organisations with various fields like agriculture, health etc.

ITEM NO. 8

Quality Assurance Initiatives

8.1 Annual Academic Audit

As a practice, Internal Academic Audit of all programmes shall be carried out. The findings of AAA shall be place before DAB for discussion & necessary corrective action.

8.2 Feedback from all stakeholders

The first feedback process of this semester on teaching learning is complete. Feedback taken is in accordance with modifications done due to total online T-L process. The findings of this feedback shall be used for overall improvement in curriculum design, T-L process, facilities and design & delivery of content beyond the syllabus.

Also comprehensive feedback from all stakeholders shall be collected and analyzed for overall improvement.

8.3 Quality initiatives

8.3.1 Participation in various in evaluation surveys and nomination for awards

Institute participates in various Govt./non Govt. surveys like NIRF, AICTE-CII survey for 'Best Industry Linked Institute' and such other surveys for quality assurance and as a brand building exercise.

In the year 2021-22 Institute participated in

1. AICTE-CII Survey for 'Best Industry Linked Institute'
2. NIRF Ranking
3. Atal Ranking for Institute Innovative Achievements (ARIIA)
4. AICTE 'Lilavati Award'
5. India Today Survey

8.3.2 Accreditation

➤ NAAC:

Institute has started the preparation of AQAR for the AY 2020-21.

➤ NBA :

NBA has granted Accreditation of 1 year up to 30-06-2022 for four UG programmes i.e Civil Engg., Electronics Engg., Electronics & Telecommunication Engg. and Mechanical Engg . Now for Further accreditation of these four UG programmes institute needs to submit compliance report with Cay 2021-22. The four departments have started preparing of compliance report. Also institute requires to pay fees of Rs. 2, 36,000/- for expert visit to NBA.

- #### **➤ NBA has granted accreditation for 3 years to two UG programmes namely Computer Sci. & Engineering & Information Technology.**

8.3.3 Autonomy

As institute has granted academic autonomy, The Academic Rule Book, Examination Rule Book, Syllabus & Structure of all UG & PG courses are finalised by Academic Council and are approved in the Academic Council Meeting. The institute is required to conduct End Semester Examination for First Year UG & PG Students. Accordingly planning and preparation for conducting exam is going on.

8.3.4 Awards

Institute has recognized in the "PERFORMER" band under the Private technical institute category in Atal Ranking of Institutions on Innovation Achievement (ARIIA) 2021, a flagship program of the Ministry of Education, Government of India.

ITEM NO. 9

Strategic Management-Review of key activities

The various activities done during this year till date are reviewed. On the basis of the review of various key strategic activities, it is proposed that following areas needs attention for improvement.

Sr. No.	Key Activity	Remark
1	Up gradation to Ph.D. qualification	As on date 34 no of faculties are pursuing doctoral studies and 35 faculties are possessing doctoral qualification. More Faculty Members shall be encouraged to register for Ph.D. qualification.
2	Faculty Competency through FDP/Workshop	During A.Y. 2021-22 till date • 489 course certifications are successfully completed by faculty members through 150 FDP/Workshop/STTP etc. Faculty members have completed • 25 courses are completed on various MOOC platforms. Faculty members shall continue to participate in various FDP/STTP/Workshop/MOOC & improve their competency.

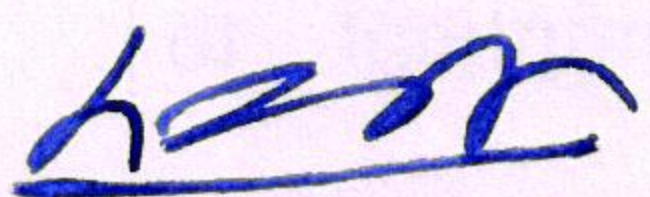

3	Faculty members to prepare & submit a proposal for research grant	● 05 Break through research proposals are submitted to PAH Solapur University, Solapur ● 14 Research Proposals are submitted to PAH Solapur University under Seed Money Research. Faculty shall submit more research proposals for grant
4	Quality Research Publication	Faculty members are publishing research papers. During 2021-22 till date 44 research papers are published in various National, International Journals & Conferences by faculty members. Focus to have more quality research publications.
